

New For the 2010-2011 School Year

School's Out for Indian Mills Memorial students will be held at the Elementary School

What this means for Middle School Students:

For AM Care: Drop your child off at Indian Mills Elementary School between 7am-7:35am. At approximately 7:35 middle school students will board a district school bus bringing them to IMMS.

For PM Care: Promptly at the end of the school day School's Out students will be dismissed to a district bus that will drop them off at the Elementary School (approximately at 2:15). After school care will be provided by School's Out Staff in the cafeteria when they arrive.

- School's Out will not have a program within the Middle School.
- If students are attending School's Out they must board the bus upon dismissal at approximately 2:15pm.
- There **will not** be a late bus taking students from clubs, sports or other after school activities to the School's Out Program at the Elementary School.
