# FOR YOUTH DEVELOPMENT

Nurturing the potential of every child and teen

## WELCOME TO YMCA CAMP OCKANICKON

We are pleased to introduce our Fall/Winter Program Guide which contains a complete listing of our upcoming programs, events and activities.

You may notice that our look is a bit different this time around. For the first time in 43 years, our national organization, the Y, is unveiling a new brand strategy to increase understanding of the impact our organization makes in the community.

The Y is about strengthening the foundation of our community; about changing lives for the better. Here at YMCA Camp Ockanickon, we have been doing this for more than 100 years and we will continue to foster lasting personal and social change well into the future.

By simplifying how we describe our programs, we hope it will become apparent that everything we do is designed to nurture the potential of children and teens (Youth Development), improve health and well-being (Healthy Living) and motivate people to support their neighbors and the larger community (Social Responsibility).

Please Join us in this important and vital mission— we could use someone like you.

Call us today or visit us online at [www.ycamp.org](http://www.ycamp.org) for more information on program opportunities, special events, volunteer openings or to make a donation to ensure access for all in our community.
