At the end of your camper's final session you can receive a cash refund of your camper's unspent trading post balance. You must pick up the cash refund in person at the respective Camp Store. At this time, you will have the opportunity to purchase items at the store, donate the refund (either in full or in part) to the Camp scholarship fund, or simply keep the refund. This is the only opportunity you will have to obtain a refund. Checks will not be issued and cash will not be mailed. Any unclaimed refunds will be donated to the Camp scholarship fund.
